Part 1: For Travelers

Discover · Book · Trek · Review

Getting Started

Sign up and personalise your feed in under 2 minutes

1 Open the App

Navigate to `http://localhost:3100` in your browser

• On mobile, add to your Home Screen for a native feel

• The splash screen shows "Venture Beyond the Trails"

• The app works best in Chrome, Safari, or Firefox on mobile width.

2 Create Your Account

• Tap Sign Up on the welcome screen

• Choose: Email/Password, Google sign-in, or Phone OTP

• Enter your name, email address (or phone number)

• Agree to the Terms & Privacy Policy, then tap Continue

• Use Phone OTP if you don't have easy email access — it's just as fast.

3 Select Your Role

• Tap I'm a Traveler (this is the Traveler guide)

• This determines which screens and features you see

• You can switch roles later in Profile > Settings

4 Set Your Preferences (Optional)

• Choose interests: Trekking, Village stays, Culture, Food, Photography...

• Set your preferred trek difficulty (Easy to Expert)

• Set your daily budget range

• Tap Done — or Skip to go straight to the feed

• Setting preferences now means your Discover feed shows relevant suggestions immediately.

Discovering Experiences

Browse the Discover feed — your gateway to off-path Nepal

5

Browse the Discover Feed

- The Discover tab (compass icon) opens automatically after login
- Scroll down to see Trek, Homestay and Experience cards
- The top card is the "Hidden Gem of the Week" — always worth a look
- Tap the "Surprise Me" button to see a random hidden trail

• Pull down to refresh the feed. New listings are added weekly.

6

Search & Filter

- Tap the search bar and type a destination, guide name, or region
- Examples: "Dolpa", "Ram", "Sindhupalchok"
- Use the filter chips below the search bar:
 - Treks / Homestays / Experiences (by type)
 - Easy / Moderate / Hard (by difficulty)
- Tap a chip once to activate it; tap again to clear

• Combining a text search with a filter chip gives the most precise results.

7

Save to Wishlist

- Tap the heart icon on any card to save it for later
- View all saved listings in Profile > Wishlist
- You'll be notified if a wishlisted item becomes unavailable

Viewing a Listing

Everything you need to know before you book

8

Open a Listing Detail Page

- Tap anywhere on a card to open the full detail page
- Swipe the photo carousel left/right to see all images
- Tap any thumbnail at the bottom of the photo to jump to it

9

Check the Guide or Host Profile

- The guide/host block shows: photo, rating, experience, languages
- Look for these trust badges:
 - Gov ID — government-issued guide licence verified
 - First Aid — wilderness first-aid certified
 - Co-op — member of a local cooperative
- Tap 'View' to see the full profile and all reviews

All guides with a Gov ID badge have been manually reviewed by our team.

The Booking Flow

Seven simple steps to secure your experience

Tap **Request to Book** at the bottom of any listing detail page to begin. You can go back to any earlier step at any time.

10 Step 1 — Select Dates

- Tap Start date and choose your arrival day from the calendar
- Tap End date and choose your last day
- Greyed-out dates are already booked or blocked by the host
- The "Best months" panel shows ideal visiting windows
- Tap **Continue** when your dates are selected

11 Step 2 — Number of Travelers

- Tap **+** to increase adults (age 18+); tap **-** to decrease
- Add children (under 12) separately using the second row
- The maximum group size is shown — don't exceed it

Children typically travel free or at reduced rates — confirm with your host after booking.

12 Step 3 — Optional Add-ons

- Porter (\$10/day) — carries up to 25 kg of your gear
- Sleeping bag rental (\$15 total) — high-altitude rated, " 10°C
- Cooking class (\$20) — learn to cook dal bhat with your host
- Satellite messenger (\$30) — Garmin inReach rental for remote treks
- Tap any add-on card to toggle it on/off; the price updates instantly

13

Step 4 — Review Price Breakdown

- Check every line item: base price, add-ons, platform fee (10%), insurance
- The green box shows how much goes directly to your guide/host
- Toggle Add booking insurance to cover cancellation & evacuation (+5%)
- Tap Continue !' when you are satisfied

• The platform fee (10%) is our only charge to you. Hosts keep 88–90% of the base price.

14

Step 5 — Message to Host (Optional)

- Type any notes for your host: dietary needs, fitness level, special requests
- Maximum 300 characters
- Tap Skip if you have nothing to add

15

Step 6 — Choose Payment Method

- Credit / Debit card — Visa, Mastercard, Amex (via Stripe)
- eSewa — Nepal's most widely used digital wallet
- Khalti — second major Nepal digital wallet
- Bank transfer — details sent after confirmation
- Pay on arrival — cash only, for remote areas without connectivity
- Tap your preferred method, then Confirm Booking

• Card payments are secured by Stripe. We never store your card details.

16

Step 7 — Booking Confirmed

- A green confirmation screen shows your Booking ID (e.g. NEP-8723A)
- Your guide is notified immediately
- The booking appears in the My Trips tab
- Tap Download Offline Pack to save maps and contacts for the trail

Pre-Trip Preparation

Everything you need before you leave for the trailhead

17 Access Your Trip Details

- Go to the **Trips** tab (backpack icon in the bottom nav)
- Your confirmed booking appears under **Upcoming**
- Tap **View** to open the full trip detail screen

18 Download Your Offline Pack

- Tap **Download Offline Pack** on the trip detail or confirmation screen
- The pack includes:
 - GPX trail map with offline markers (works without internet)
 - Emergency contacts (guide, nearest hospital, police)
 - Meeting point with map pin and time
 - 30 essential Nepali phrases with transliteration
- Download while on Wi-Fi before heading to the trailhead

The offline pack is your safety lifeline in areas with no mobile signal. Download it before you leave the city.

19 Check the Weather Alert

- From the trip detail screen, the weather widget shows a daily forecast
- If severe weather is predicted, you'll receive a push notification
- Refresh requires an internet connection — check before leaving Kathmandu

20 Chat With Your Guide

- Tap **Chat guide** or go to the **Inbox** tab and select your guide's conversation
- Messages are automatically translated (English to Nepali)
- You can share photos, your meeting point, and ask last-minute questions
- Tap the globe icon in the chat to toggle translation on/off

If you have no signal on the trail, messages are queued and sent automatically when you reconnect.

During Your Trek

Stay safe and connected on the trail

21

Guide Check-In

- When you meet your guide at the agreed meeting point, they will:
 - Open their app and tap **Check In Guest**
 - Show you a QR code or tap a location-based check-in
- This officially starts your trip and releases the payment to the guide

22

View Daily Logs

- Your guide posts a photo and brief note each evening
- These are visible in **My Trips** ! **Trip Detail** ! **Daily Log**
- Your emergency contact at home can also view them via a shared link
- If no log is posted for 24 hours, both you and the platform are alerted

23

Use the Emergency SOS Button

- The red SOS button is visible in **My Trips** ! **Trip Detail**
- Hold the button for 3 seconds to activate (prevents accidental triggers)
- On activation, the app will:
 - Call the nearest local emergency number
 - Send an SMS to your registered emergency contact with your GPS location
 - Send your guide's phone number to your emergency contact
- Works via device SMS even without mobile data

Register your emergency contact before leaving: **Profile** ! **Emergency Contacts**.

+P After Your Trip

Leave a review and see your community impact

24 Trip Completion

- Your guide marks the trip **Completed** in their app on the final day
- You receive a push notification: "Rate your experience"
- The trip moves from **Upcoming** to **Past** in the Trips tab

25 Leave a Review

- Go to **Trips !' Past** and tap **Write Review** next to your completed trip
- Rate your experience: 1–5 stars (required)
- Write a comment (optional but hugely valuable for future travelers)
- Upload a photo from your trek (optional)
- Add a tip for your guide — sent directly to their wallet

👉 Your review is the most important thing you can do for the local guide's future income.

26 View Your Impact Summary

- After the review, an impact report is generated automatically
- It shows:
 - ! Exact amount paid to your guide/host (in NPR)
 - ! Percentage contributed to the local community fund
 - ! Carbon offset contribution (if you opted in)
- Share the impact card on social media from the share button

Collect Your Badges & Discount

Badges unlock based on your trip history:

Trail Seeker — complete your first trip

Culture Lover — 3+ trips with cultural listings

Eco Traveler — opt into carbon offset

Altitude Chaser — trek above 3,500m

Each new badge gives a 10% discount code (valid 90 days)

View all badges in Profile ! My Badges

Ready for your next adventure? Tap the **Explore now !** button in the impact report, or return to the Discover tab to browse more hidden trails.

Part 2: For Hosts & Guides

List · Manage · Earn

Creating Your Account

Get set up in minutes — we'll help every step

1

Open the App & Sign Up

- Go to `http://localhost:3100`
- Tap **Sign Up** and enter your name and phone number
- Receive a one-time password (OTP) by SMS — enter it to verify
- You can also sign up with email or Google

Phone OTP is the easiest option if you have limited email access.

2

Select Your Role

- Tap **I'm a Homestay Host** OR **I'm a Guide**
- Homestay Host** — you offer accommodation and/or experiences
- Guide** — you lead trekking or cultural tours
- You can hold both roles from the same account

3

Set Your Language

- After sign-up, go to **Profile** → **Language**
- Switch to **Nepali** if you prefer to use the app in Nepali
- The core host actions (**Accept**, **Decline**, **Check-in**, **Withdraw**) use large icon buttons with Nepali labels — minimal reading required

Setting Up Your Profile

A complete profile earns 3× more bookings

4

Add Your Profile Photo & Bio

- Go to Profile !' Edit Profile
- Upload a clear, smiling profile photo (tap the avatar circle)
- Write a short bio: your experience, what makes your place/trek special
- Add the languages you speak

Hosts with a photo and bio receive significantly more booking inquiries.

5

Upload Verification Documents

- Go to Profile !' ID Verification
- Upload the following (JPG, PNG or PDF, max 10 MB each):
 - Government-issued guide licence (guides only)
 - First-aid certificate (Wilderness First Responder preferred)
 - Police clearance certificate
- Tap Submit for Review
- Our team reviews documents within 48 hours
- On approval, a ' Verified ' badge appears on your profile

Your documents are encrypted and only viewed by our verification team. They are never shared publicly.

Creating a Listing

Your listing is your storefront — make it shine

6

Create a New Listing

- Go to Profile !' Edit availability (or from the Dashboard)
- Tap + New Listing
- Choose a listing type:
 - Trek — guided multi-day trekking route
 - Homestay — accommodation in your home
 - Experience — cooking class, cultural tour, farm visit, etc.

7

Fill In the Listing Details

- Title — clear and descriptive (e.g. "Panch Pokhari Trek – 6 days")
- Region and District — used for map placement and search
- Description — tell the story of your place or route (200+ words)
- Difficulty (treks only): Easy / Moderate / Hard / Expert
- Duration in days
- Maximum group size (be realistic — don't overbook)
- Price per person per night (homestay) or per day (guide)

• Write your description in Nepali if that is easier — our team will help with English translation.

8

Add Photos

- Upload at least 3 photos (minimum required for listing approval)
- Include: the route/exterior, a room or trail highlight, your family/team
- Portrait (vertical) photos work best on the card feed
- Tap and hold a photo to reorder; tap the star to set the cover image

• Good lighting makes a huge difference. Take photos in the morning or late afternoon.

9

Set Inclusions, Exclusions & Cultural Note

- 📌 Inclusions: what is covered in the price (meals, permits, guide, etc.)
- 📌 Exclusions: what the traveler must bring or pay separately
- 📌 Cultural Note: any dress codes, religious etiquette, photography rules
 - This is displayed prominently on the listing and reassures travelers

10

Set Best Months

- 📌 Select the months when your listing is best experienced
- 📌 These appear as a calendar on the listing detail and in search filters
- 📌 Be honest — recommending monsoon months for a high-altitude trek will result in bad reviews

11

Submit for Review

- 📌 Tap **Submit Listing**
- 📌 Our editorial team reviews it within 48 hours
- 📌 You will receive a notification when it goes live
- 📌 You can edit the listing at any time after approval

Managing Booking Requests

Respond promptly — guests book hosts with fast response times

12 Receive a Booking Request

- You receive a push notification and SMS when a new request arrives
- Go to **Dashboard** (home tab when logged in as host)
- Under **Pending Requests**, tap the request to view full details:
 - Traveler name, country, and profile
 - Requested dates and number of guests
 - Message from the traveler (if they left one)

13 Accept or Decline a Request

- Tap **Accept** to confirm the booking
 - The dates are automatically blocked in your calendar
 - The traveler is charged immediately
 - You both receive a confirmation notification
- Tap **Decline** if you are unavailable or the dates don't work
 - Select a reason (optional) — the traveler is notified
- Requests auto-decline after 48 hours if you don't respond

• Respond within a few hours if possible. Fast responses improve your search ranking.

14 Communicate With the Traveler

- After accepting, go to **Inbox** to message your guest
- Set the meeting point, confirm arrival time, ask about dietary needs
- Messages are auto-translated — you can write in Nepali
- Tap the  icon to toggle translation on/off

Managing Your Calendar

Block dates to prevent overbooking

Block or Unblock Dates

- Go to Dashboard !' Edit calendar
- Tap any date to toggle it between Available and Blocked
- Blocked dates (grey) cannot be booked by travelers
- Already-booked dates (green) are blocked automatically
- Useful for: festivals, family events, trail maintenance, rest days

Tip: Block dates well in advance of major Nepal festivals (Dashain, Tihar) if you plan to close.

Running the Trip

From check-in to completion

16 Check In Your Guest

- When your guest arrives at the meeting point:
 - ! Open Dashboard ! Upcoming Guests
 - ! Tap the booking ! tap Check In Guest
 - ! Show the QR code for the guest to scan, OR tap location-based check-in
- This officially starts the trip
- The payment is released from escrow to your wallet at this point

• If the guest uses "Pay on arrival", collect cash first, then check them in.

17 Post Daily Logs

- Every evening during the trip, go to Trips ! Current Trip ! Daily Log
- Tap + Add Log
- Upload a photo from today (from your camera or gallery)
- Write a short note (up to 150 characters) — e.g. "Day 3: Reached base camp. All well."
- Tap Post
- The log is visible to the traveler AND their emergency contact
- If you skip a day, the platform will send you a reminder

• Daily logs are a core safety feature. They take 1 minute and give the traveler's family peace of mind.

18 Submit Trail Reports

- If you encounter a hazard (landslide, washed-out bridge, weather event):
 - ! Go to Dashboard ! Submit Trail Report
 - ! Select severity: Low / Medium / High / Critical
 - ! Describe the issue and location
- All travelers with upcoming bookings on your route are notified
- You can mark the issue as resolved once it is safe

19

Mark Trip Completed

- 👉 On the final day of the trip, go to **Trips !' Current Trip**
- 👉 Tap **Mark as Completed**
- 👉 The traveler receives a review prompt
- 👉 Your earnings are confirmed in your wallet

Ø=Ü Getting Paid

Earnings in your wallet within 48 hours of check-in

20

View Your Earnings

- 👉 Go to **Profile !' Wallet & Payments**
- 👉 Your balance shows confirmed earnings from completed check-ins
- 👉 Pending earnings (pre-check-in) are shown separately
- 👉 Tap any transaction to see the booking it relates to

21

Withdraw Your Earnings

- 👉 Tap **Withdraw Earnings** in the Wallet screen
- 👉 Choose your payout method:
 - !' eSewa wallet — credited within 24 hours
 - !' Khalti wallet — credited within 24 hours
 - !' Bank account — credited within 48 hours
- 👉 Minimum withdrawal: NPR 500
- 👉 Link your eSewa/Khalti account in **Profile !' Wallet !' Add Account**

Ø=Ü; If you need help linking your eSewa account, call our Nepal support line. We can walk you through it.

Quick Reference

Bottom Navigation Tabs

 Discover	Browse listings, search, and find hidden gems
 Map	See all experiences on an interactive map
 Trips	Manage upcoming and past bookings
 Inbox	Chat with guides, hosts, and support
 Profile	Badges, wallet, emergency contacts, settings

Emergency SOS

& p Hold the red SOS button for 3 seconds. The app will call emergency services AND send an SMS with your GPS location to your registered emergency contact. Works without mobile data.

1. Open the Trips tab during an active trek
2. Tap Trip Detail
3. Press and hold the red SOS button for 3 full seconds
4. The app dials 112 (Nepal emergency) via your phone dialer
5. An SMS is sent with: your name, booking ID, guide's phone, GPS coordinates
6. To cancel: tap Cancel SOS within 10 seconds of activation

Offline Mode — What Works Without Signal

Works offline

- GPX trail map and route markers
- Emergency contacts (guide, hospital, police)
- Meeting point details
- 30 Nepali phrases with transliteration
- Your booking summary and itinerary
- Last 50 chat messages per conversation
- SOS via device SMS (no internet needed)

Needs internet

- Browsing new listings
- Making a new booking or payment
- Receiving new chat messages in real time
- Weather forecast updates
- Posting daily logs (queued & sent on reconnect)

Payment Methods

Credit / Debit Card

Travelers only

Visa, Mastercard, Amex

Secured by Stripe. Charged immediately at booking. Refund in 5 business days if cancelled.

eSewa

Travelers & hosts
(payouts)

Nepal digital wallet

Redirects to the eSewa app. Instant confirmation.

Khalti

Travelers & hosts
(payouts)

Nepal digital wallet

Redirects to the Khalti app. Instant confirmation.

Bank Transfer

Travelers only

Direct to account

Details emailed after booking. Allow 1–2 business days.

Pay on Arrival

Remote listings only

Cash — remote areas

No upfront charge. Host checks in guest to confirm receipt.

Hosts keep 88–90% of every booking. The platform fee (10%) is the only charge. No monthly subscription, no hidden fees.
